Subject: **Nomination of RBC members to the National Spiritual Assembly**

The Regional Bahá'í Council informs your august Assembly that electoral meetings to nominate members of Regional Bahai Council to the National Assembly are stipulated on the weekend of 13th and 14th September 2008. As host community, your Assembly is requested to make physical arrangements for the success of this meeting and invite Assemblies elected this Ridvan (April 2008) within your cluster to take part in this meeting.

7. Refreshments and departure

The Regional Council has also program a regional conference on Huququ'llah on the Weekend of 27 and 28 September 2008 in Limbe details will be communicated to you soon.
